

SHORT-TERM POWER COACHING

SHORT-TERM COACHING FOR LONG-TERM RESULTS!

With our team of experienced executive coaches we can make a huge impact with leaders in a short period of time (typically 2-3 months). We incorporate tools and one-on-one coaching sessions to help executives and high-potential leaders:

- Navigate a specific career situation or issue
- Address an area or two of development
- Transition successfully into an organization
- Cope with a sudden change or stress point

WHAT THE PROCESS CAN INCLUDE

WHY SHORT-TERM COACHING?

- Cost-effective solution for limited budgets
- Address a time-sensitive behavioral issue or workplace challenge
- Provide an outlet for a company with limited HR resources
- Quick results to support a leader who needs to build a specific skill or who needs timely feedback

KEY OUTCOMES

Providing the valuable opportunity to address leadership challenges with an executive coach can:

- Enhance leadership presence
- Improve confidence and engagement
- Increase contributions to the organization's goals
- Strengthen skills for leading others
- Enhance commitment to the organization
