

How Diverse Is Your Talent Pipeline?

# A LEADERSHIP EXPERIENCE FOR WOMEN OF COLOR

For many Women of Color leaders, their workplace experiences are complicated ones shaped by the history, culture and traditions of their ethnicity and backgrounds. And in most cases, these professional experiences include feelings of misrepresentation, being overlooked for opportunities and hitting career roadblocks.

To help these aspiring and talented women, we have designed a virtual leadership development program to equip Women of Color with the tools, strategies, and skills to navigate the workplace, increase their contributions to their organizations and grow their careers.

## THE PROGRAM INCLUDES:

- Individual coaching meetings with a certified and diverse coach
- Skills development sessions
- Group cohort discussions
- Guest speakers with global business experience
- Leadership assessment tools
- Professional development plan
- Robust curriculum and resource materials

## WHO SHOULD ATTEND

Ambitious and high-performing leaders at the Director level and above who identify as a Woman of Color

## DURATION

Six-month program

## 2022 PROGRAM DATES

February 15 • March 15 • April 12 • May 10

# DIVERSIFY YOUR PIPELINE

Building greater diversity in the workplace is a business imperative that brings the added benefits of innovation, increased retention and bottom-line results. Even more importantly, Experience program participants feel validated, empowered and prepared to step up to new challenges, roles and responsibilities.

Our program is research-based and results-driven. We thoughtfully incorporate cultural nuances into our skills-building sessions while delivering interactive instruction to build key leadership competencies. Through one-on-one coaching, each participant pulls through these learnings into a specific action plan to grow their career within their organization.

## PROGRAM PARTICIPANTS CONTRIBUTE TO THEIR COMPANIES BY:

- Helping drive revenue growth
- Driving creativity and innovation
- Leveraging new skills to advance
- Supporting succession planning initiatives
- Being energized and excited to remain with the company
- Role-modeling and enhancing the organization's brand
