

Is your company investing in your Black women leaders?

A LEADERSHIP EXPERIENCE FOR BLACK WOMEN

Many Black women leaders face distinctive professional challenges that lead to feelings of misrepresentation, being overlooked for opportunities and hitting career roadblocks.

Our virtual leadership development program equips talented women with the tools, strategies, and skills to navigate the workplace, increase their contributions to their organizations and grow their careers.

PROGRAM PARTICIPANTS CONTRIBUTE TO THEIR COMPANIES BY:

- Driving revenue growth with a strategic mindset
- Demonstrating creativity and innovation
- Leveraging new skills to advance
- Fostering relationships that increase productivity
- Engaging in their roles with energy and excitement to remain with the company

ATTENDEES

Ambitious and high-performing Black women at the Director level and above
