Philadelphia, PA (Jan. 17, 2017) — Philadelphia SmartCEO is pleased to announce the winners of the 2017 Executive Management Awards. The Executive Management Awards (EMA) program recognizes the leadership and accomplishments of Philadelphia's management all-stars. The 2017 EMA winners' companies collectively generate more than \$3.5 billion in annual revenue. This year's winners will be recognized in *SmartCEO magazine* and celebrated at an awards ceremony on March 8, 2017 at the Ballroom at the Ben.

Please see below for a complete list of winners and event details. To share in the excitement leading up to the event, follow us on Twitter @SmartCEO #EMAs.

“Behind every great CEO is a team of smart, driven executives dedicated to ensuring a company's growth and success. This year's EMA winners are perfect examples of all-star executives. Not only do they inspire their own teams to achieve greater heights, they also believe deeply in their companies' missions, are consummate community stewards, and are dedicated to excellence, always,” says Jaime Nesor-Zawmon, President of SmartCEO. “We're honored to share their stories and celebrate their great accomplishments.”

The Executive Management Awards program recognizes the leadership and accomplishments of Philadelphia's management all-stars — the CFOs, CIOs/CTOs, COOs and other C-suite executives leading the region's top companies. Winners are recognized for their creative management vision, leadership philosophy, innovative strategy and undeniable work ethic. More than 300 local C-level guests will celebrate this elite group of executives at a cocktail reception in March. The event will kick off with a cocktail hour and networking followed by a video-packed awards ceremony.

About the Executive Management Awards

The Executive Management Awards honor C-suite executives who have gone above and beyond to support and lead their organizations. SmartCEO recognizes executives — CFOs, CIOs/CTOs, COOs and other C-suite executives (CXOs) — who uphold the highest ethics, lead collaboratively and creatively, and enhance and support the organization's mission. An independent committee of local business leaders reviews the Executive Management Awards nominations and chooses winners based on their display of ethics, leadership, collaboration, creativity, and dedication and support to their organizations' missions. Executive Management Award winners are profiled in *SmartCEO* magazine and celebrated at a high-energy awards ceremony.
